GROUP A

54 images from 18 members

01 - Arched Passageway in Siena, Italy.jpg

Just needs some cropping

02 - Balcony in Havana, Cuba.jpg

top contender / wonderful color

03 - Bixby Bridge from Old Coast Road.jpg

the image is seen well -- just maybe too much "processing " for my taste

04 - BOY WITH HIS SLED DOG PUP.jpg

Great capture --

05 - Cana Island lighthouse.jpg

06 - Canyonlands Through Mesa Arch.jpg

Top framing of the subject -- good exposure

07 - Carnivale Characters,Venice, Italy.jpg

Wonderful triplet -- Wish it was single images .. Top photo for sure ..

08 - Centennial Bridge, Cottage Grove, Oregon.jpg

A just a bit of crop and contrast needed

09 - decorated bait shack-portsmouth harbor-portsmouth new hampshire.jpg

A little tighter & this fine image would be in the top 3

10 - Diamond Head from Spalding Museum.jpg

I see two photos in one -- Can see what your are trying to deliver -- just need to recompose .. well exposed ..

11 - EarthGoddess - Atlanta Botanical Garden.jpg

Nicely seen -- and well exposed....

12 - Eastern State Penitentiary Infirmary.jpg

This one really caught my eye --- just needs a some tender contrast applied and move your lens up a bit .. this would be in the top 3

13 - Elephants meander near Okavanga Delta, Botswana, Africa.jpg

Would require a very large print to view the elephants -- but within a photo story (and additional closer images) -- would be superb. Really reveals the vast Delta ~!

14- Evening concert in Foster Gardens - Honolulu.jpg

More of a keepsake photo -- to remember the gathering

15 - Fall at the Homestead on Highway 395 in Nevada.jpg

Work on the light/contrast in CS -- lots going on in this image -just needs a edit..

16 - Garrapata Sea Arch - Big Sur, CA.jpg

17 - GHOSTLY REFLECTION .jpg

Like this one a lot -- good imagination and bringing your idea to a image

18 - Go On Vacation, Come Back On Probation- Seligman, Arizona, Route 66.jpg

Nlce comp :-)) -- looks like flash on camera exposure --though

19 - Google campus T-rex and twirling flamingos, a warning not to become obsolete, Mountain View.jpg

Just needs some cropping -- moving around slightly -before the click .. nice abstract ...

20 - Gunotsoga Primary School children, Kazane, Botswana, Africa.jpg

WOW -- crop and a little lighting edit -- a wonderful image

21 - Hackberry.jpg

Wish we had a chance for a tie in 2nd place

22 - HMS Minnow, Portsmouth, England.jpg

Just needs a crop ---or angle to another approach ..its all there -- just didn't keep my eye in the frame ..

23 - Honolulu Skyline from Spalding Museum.jpg

Nlce view -- good framing

24 - In the marketplace, Antigua, Guatemala.jpg

Perfect turn of the head ..well exposed --

25- Inbound and Outbound Metrolink to Paddington Station, London.jpg

nice exposure -- just the right highlights

26 - India's parakeet perched on one of India's temples.jpg

Good colour and eye

27 - Joshua Tree`s And Under the Star`s.jpg

Beautiful composition -- maybe a touch of dodging the clouds ever so lightly ..a winner

28 - Kayaking Glacier Bay, Alaska.jpg

Winner

29 - Land's End Labyrinth, San Francisco.jpg

Nice shot -- love the wide angle with the bridge just in the distance

31 Late Spring Snow in Yellowstone National Park

Looks cold and maybe a little rushed .. but hey they are moving bison .. not going to give you a second chance

32 - Louvre Museum and Pyramid, Paris, France.jpg

Nicely seen -- just a bit of cropping -- if viewed as 8X -- a large print would work ..

33 - Milwaukee Art Museum.jpg

Every thing lined up ==clouds and art -- just right

34- Multnomah Falls, Oregon.jpg

Nice capture -- right choice for shutter ..

37 - Old Barn in the Paluse, Washington State.jpg

Just a touch of lighting on the barn -- this was my tie for second place

38 - Palm to Pines Hwy 74 - Palm Desert, CA.jpg

Nice composition -- just the right exposure foreground & distance ..

39 - Palouse Country.jpg

40 - Praying outside St. Francis Church, Antigua, Guatemala..jpg

41 - rural new england barns near kents corner vermont.jpg

Just the right clouds to accent a beautiful setting ...

42 - San Jose Mission water & washing fountain and a Camino Real bell.jpg

a little too dark to convey the water droplets and the structures but the angle is right ...

43 - Seattle's Space Needle from the Chihuly Gardens grounds.jpg

Like this one -- nice exposure to hold the objects ..

44 - Springtime in Grand Teton National Park, Jackson Wyoming.jpg

Can see why they are so inviting -- nice framing and exposure

45 - Still a good way to go, Truckee, CA.jpg

I love trains -- fun shot .. nice crop

46 - Studio 16 - Cerritos, NM.jpg

Nicely framed -- nothing missing -- keep my eye in the frame

47 - Sundial Bridge.jpg

Clouds helping with the angle of the bridge -- nice framing

48 - Sunset at Guanajuato, Mexico.jpg

Wonderful use of the height of the Cathedral -- and framing GTO

49 - Sunset on Lake Tahoe.jpg

Good use of the horizontals -- rock drawing one in to point on the shore

50 - Tending the traps-winter harbor maine.jpg

Love all the colour on a otherwise drab scene ...

51 - The Belfry of Bruges, Belgium.jpg

Classic shot --- everything falls into a nice view

52 - TUNNEL VIEW TOURISTS.jpg

The Kiss of the Bridal Falls -- sure someone would love a print of that

53- Tunnel View, Yosemite National Park, California.jpg

Taken from that spot many a time -- this is glorious ..loved that you kept the highlights of the snow -- masterpiece ...

54 - Vancouver Harbor .jpg

Good Travel brochure shot -- definitely would attract me to the Harbor

55 - Wedding at Taughannock Falls NY.jpg

Rough exposure --and you pulled it off well

56- Winter Morning in Venice, Italy.jpg

Classic shot of a Historical canal -- nice framing

57- Yaquina Head Lighthouse, Oregon.jpg

Usually don't like "bullseye" objects --but this is placed just right
